- Master's degree in Auditing, Accounting, Business Administration, Business Economics, or similar
- Strong verbal and written communication skills in English and Dutch
- Affinity for political, community, and governmental matters
- Proactive, quality-minded, client-oriented with excellent problem-solving and communication skills

What you'll do:

- Prepare, coordinate, execute, and report on assurance engagements per professional and quality standards
- Manage planning, deadlines, and budgets effectively while collaborating smoothly with clients and team members
- Operate primarily in assurance and assurance-related fields, offering expert insights for government and public entities

What we value in you:

- Precision and a quality-driven mindset
- Proactivity and problem-solving flair
- Excellent communication skills that help you connect and inspire
- Client-focused with a strong drive to achieve results

What we'll offer:

- Competitive salary with comprehensive social and health insurance, including pension benefits aligned with local standards
- Flexible hybrid working model and modern collaborative workspaces supporting work-life balance
- Meaningful opportunities to contribute to impactful government and public sector projects that benefit the community, backed by SOAB's commitment to social responsibility and public value
